**Re: In The Matter of the Legend Energy Advisors, LLC For A Certificate to Provide Electric Supply Broker Services within the State Of Delaware (Submitted July 7, 2015) - PSC Docket No: 15-1099**

---

Dear Ms. Boyle,

On July 7, 2015, Legend Energy Advisors, LLC ("Legend" or the "Company") submitted an application ("Application") with Delaware Public Service Commission (the "Commission") for an Electric Supplier Certificate ("ESC") to act as a Broker in the State of Delaware pursuant to §1012 of the Electric Utility Restructuring Act of 1999, 26 *Del. C.* §1001 - §1020 (the "Restructuring Act") and 26 *Del. Admin. C.* §3001, the Commission's Rules for Certification and Regulation of Electric Suppliers (the "Supplier Rules").<sup>1</sup>

On September 3, 2015, Staff forwarded Legend a list of deficiencies that required additional documentation in order to fulfill the minimum filing requirements ("MFRs") in accordance with Section 2.4 of the Supplier Rules. A response date of September 28, 2015 was requested by Staff. To date, Staff has not received any acknowledgement of receipt or additional correspondence from the company or company representatives in regards to this application.

At this time, the Company's application as submitted July 7, 2015 has not satisfied the requirements under the Restructuring Act and Supplier Rules to receive an ESC in the state of Delaware. The above referenced docket is now closed and the Application of Legend Energy Advisors, LLC for an ESC is considered abandoned. Should the Company decide to pursue an ESC in the future, a new filing and filing fee would be required.

Thank you,
